# FLY & DRIVE

Spending your holidays in Greece offers the advantage of creating your packaged tours, which give you the opportunity to discover on your own the treasures of this country.

If you are not a fan of organized tours, the following “fly and drive” programs gives you the chance for something more flexible and maybe more adventure.

Our “fly and drive” tours cover all important archaeological sites and destinations all over Greece, which guarantees the perfect combination of discovering history and having fun.

We are offering you 1 week packages with accommodation in hotels 5,4,3 or 2 stars.

To the above packages please add the car that you want from our car rental, pages 27-28.

The car will be delivered/collected in the airport upon arrival/departure or in the hotel.

We take care of your desired accommodation and car and we provide all necessary documents (i.e. maps, brochures).

Furthermore you have the possibility to modify the “fly and drive” program of your choice and change it into more “tailor made” according to your personal needs.
